### CPD Hours Awarded for Diplomas taken in 2011/2012

All of our courses satisfy the CPD Scheme requirements for Group Study (General) hours (provided relevant sessions are attended). As per the CPD Scheme Regulations up to a maximum of 3 hours may be claimed for elearning, including webcasting. A diploma course that commences in 2011 and ends in 2012 can be apportioned to both the 2011 CPD requirement and the 2012 CPD requirement. Any modules/sessions carried out in 2011 will count towards the 2011 requirement and those carried out in 2012 will apply to the 2012 requirement. Also, if a particular diploma course has one session/module, which covers the Management and Professional Development skills and/or Regulatory matters, this can only be claimed for the actual cycle the session falls into.
