- (v) A summary of the decision of the arbitrator.

The parties acknowledge that the PII committee shall have the power to direct the parties to any arbitration to provide such other information to the PII committee as may be determined by the PII committee from time to time.

The arbitrator shall have the power to direct, on an interim basis pending hearing or resolution of any arbitration without prejudice to any issue in dispute between the Insured and the Insurer, that the Insurer shall conduct any claim against the Insured, and/or advance Defence Costs to the Insured and/or, if appropriate, compromise and/or pay any Claim against the Insured, and/or such further or other interim relief as the arbitrator deems apposite; such a direction by the arbitrator to be known as a Direction.

The arbitrator may make a Direction, where in his sole discretion he considers that it is fair and equitable in all of the circumstances for such a Direction to be given. Such a Direction may be made following an application by the Insured, after allowing both the Insured and the Insurer an opportunity to make submissions as to whether such a Direction should be made, and where applicable, after receiving responses to any questions that the arbitrator may have regarding *inter alia* the degree of engagement between the Insurer and the Insured prior to the application for a Direction, and/or the degree to which the Insured has cooperated with the Insurer in relation to the provision of information and documentation relating to the Claim, and/or the degree to which the Insurer has theretofore assisted the insured with the Claim.

8.2 **Related Disputes**

The Insurance must provide that any dispute between the Insured and the Insurer as to coverage of any Claim or Circumstance under the Insurance shall be heard and determined in conjunction with any other related dispute between the Insured and the Insurer.

8.3 **Conduct of Claims**

The Insurance may provide that the Insured shall be required to afford reasonable co-operation to the Insurer in relation to the handling of any Claim against the Insured, subject to the Insurer agreeing to meet the Insured's reasonable costs of such co-operation, and the Insurance may further provide that the Insurer shall be entitled to recover from the Insured by way of damages a sum equal to the Insurer's loss arising from or connected with the Insured's failure to co-operate as required by the Insurance. For the avoidance of doubt, the Insurance may not permit the Insurer to refuse to pay any claim, or to cancel, terminate or avoid the Insurance, due to the Insured's failure to co-operate as required by the Insurer.

- 3.2 The Insurer shall provide to the SPF Manager on or before 31 January in each Indemnity Period a statement of its Initial RPI Estimate for that Indemnity Period (the "**Initial RPI Estimate Statement**").

- 3.3 The SPF Manager, having received the Initial RPI Estimate Statement from Participating Insurers, shall calculate the Insurer's initial proportionate participation in the SPF for that Indemnity Period on the basis of such Initial RPI Estimates (the "**Initial Estimated Proportionate Participation**") in accordance with paragraph 3.9 and shall notify the same to the Insurer no later than ten (10) Working Days after 31 January of each Indemnity Period.

- 3.4 The Insurer shall provide to the SPF Manager within 15 (fifteen) Working Days of the end of each Indemnity Period in respect of which it was a Participating Insurer for the whole or any part thereof, a Final RPI Statement for the preceding Indemnity Period or any part thereof.

- 3.5 The SPF Manager, having received the Final RPI Statements referred to in paragraph 3.4 from Participating Insurers, shall recalculate the Insurer's proportionate participation for that preceding Indemnity Period on the basis of such final statements (the "**Actual Proportionate Participation**") in accordance with paragraph 3.9 and shall notify the same to the Insurer no later than ten (10) Working Days after the date on which the statements referred to in paragraph 3.4 are due to be provided.

- 3.6 Where a Participating Insurer (including the Insurer) fails to provide the Initial RPI Estimate Statement within the required time limit or at all, the SPF Manager may estimate, in its absolute discretion, that Participating Insurer's Relevant Premium Income for the relevant Indemnity Period and may calculate the Insurer's Initial Estimated Proportionate Participation on the basis of such estimate and notify the same to the Insurer in accordance with paragraph 3.3.

- 3.7 Where a Participating Insurer (including the Insurer) fails to provide the Final RPI Statement referred to in paragraph 3.4 within the required time limit or at all, the SPF Manager may

3.8.2 thereafter, the Actual Proportionate Participation as determined in accordance with paragraph 3.5,

save that in the circumstances set out in paragraphs 3.6 or 3.7, the Insurer's percentage participation shall be the Initial Estimated Proportionate Participation or Actual Proportionate Participation (as applicable) as adjusted by the SPF Manager pursuant to those paragraphs (subject to any adjustment by the SPF Manager in accordance with paragraph 3.12) (the Insurer's "**Percentage Participation**").

3.9 Each calculation made under this paragraph 3.9 shall be made in accordance with the formula:

B = the total Relevant Premium Income declared by all Participating Insurers on their Initial RPI Estimates or Final RPI Statements (as applicable) for the relevant Indemnity Period.

3.10 Where as a result of any calculation carried out by the SPF Manager pursuant to paragraph 3.9 the Insurer's Initial Estimated Proportionate Participation or Actual Proportionate Participation is less than one percent (1%) of the total Relevant Premium Income of all Participating Insurers during that Indemnity Period, it shall be deemed for all purposes of this Agreement to be one percent (1%).

3.11 The Insurer warrants and represents to the SPF Manager (as agent and trustee for each Participating Insurer participating in the SPF, the ARP, the ROF, each other coverage arranged by the SPF Manager pursuant to paragraph 2.13 and any cover arranged by the SPF Manager through the ROF under Regulation 7(a) of the Regulations and/or in accordance with paragraphs 2.14 or 2.15 (or any of them) for the relevant Indemnity Period) that:

3.11.1 its estimated Relevant Premium Income stated in its Initial RPI Estimate (under paragraph 3.2) is its best estimate and it has taken reasonable care in preparing such estimate;

3.11.2 it has taken reasonable steps to verify the accuracy of its declared Relevant Premium Income stated in its Final RPI Statement under paragraph 3.4 and to the best of its knowledge and belief such statement does not understate its actual Relevant Premium Income for the relevant Indemnity Period;

- 3.11.3 and the warranties and representations set out in this paragraph shall be deemed to be repeated on each day during which this Agreement remains in effect between the Insurer and the Law Society.
- 3.12 If and to the extent that the Insurer discovers any inaccuracy or understatement in any statement of Relevant Premium Income provided by the Insurer hereunder (including the Initial RPI Estimate or the Final RPI Statement (as applicable)), the Insurer shall inform the SPF Manager thereof. The SPF Manager shall be entitled to make such adjustments to the Percentage Participation of each Participating Insurer as may be appropriate in its discretion to remedy any inaccuracy or understatement in any statement of Relevant Premium Income provided by any Participating Insurer hereunder (whether on an estimated or actual basis) and whether such inaccuracy or understatement is contained in a notification provided by a Participating Insurer or is discovered by the SPF Manager.
- 3.13 Following the recalculation of an Insurer's Percentage Participation pursuant to paragraphs 3.5, 3.7 and 3.12, the SPF Manager shall calculate and determine the amount of any consequential adjustment to be made to any premium amount paid to, or claim and/or costs amount paid by, each Participating Insurer in respect of the ARP and the applicable Indemnity Period. Where, following a recalculation:
- 3.13.1 a Participating Insurer has paid more than its Percentage Participation of claims and costs or received less than its Percentage Participation of any premium in respect of an Indemnity Period (the amount of the overpayment of claims and costs or underpayment of premium being the **Positive Adjustment Amount**), the SPF Manager shall pay the Positive Adjustment Amount to the Participating Insurer, unless the SPF Manager elects (in its absolute discretion) by notice to the Participating Insurer to set off the Positive Adjustment Amount against any amount that is owed by the Participating Insurer in respect of the SPF (or any part of it); or
- 3.13.2 a Participating Insurer has paid less than its Percentage Participation of claims and costs or received more than its Percentage Participation of any premium in respect of an Indemnity Period (the amount of the underpayment of claims and costs or overpayment of premium received being the **Negative Adjustment Amount**), the Participating Insurer shall pay the Negative Adjustment Amount to the SPF Manager, unless the SPF Manager (in its absolute discretion) elects by notice to the Participating Insurer to set off the Negative Adjustment Amount against any amount that is owed in respect of the SPF (or any part of it) to the Participating Insurer,
- and the payment or election (as the case may be) shall be made no later than 20 (twenty) Working Days after the recalculation of the Participating Insurer's Percentage Participation is determined in accordance with this paragraph.
- 3.14 If the Insurer fails to make a payment demanded by the SPF Manager in accordance with paragraph 3.13, the Insurer shall be liable to pay interest on any such amount to the SPF Manager at two percent. (2%) over the then-prevailing base lending rate of the European Central Bank.
- 3.15 In accordance with the provisions of Regulation 17(f), the Insurer agrees that, where an insolvency or non-performance event occurs in respect of another participating insurer, the insurer shall be required to make such additional payment to the SPF, as may be calculated by the SPF Manager in accordance with the terms of this Agreement, in respect of any actual or potential liabilities incurred by the SPF as a result of an insolvency or non-performance event in respect of a participating insurer.

4 **REPORTING**

- 4.1 The SPF Manager shall on or about the end of each calendar quarter (but in any event within twenty eight (28) Working Days of the end of each such quarter) provide a bordereau to each Participating Insurer participating in the SPF, the ARP, the ROF and other coverage arranged by the SPF Manager pursuant to paragraph 2.13 and any cover arranged by the SPF Manager

through the ROF under Regulation 7(a) of the Regulations and/or in accordance with paragraphs 2.14 or 2.15 (or any of them) in respect of an Indemnity Period setting out premiums received and claims made or notified in respect of that Indemnity Period, and the establishment, administration and management costs and expenses incurred by the SPF Manager relating to that Indemnity Period.

- 4.2 The obligations of the SPF Manager under paragraph 4.1 shall continue for so long as any claim made on ARP Coverage, Run-off Cover, each other coverage arranged by the SPF Manager pursuant to paragraph 2.13 or cover arranged by the SPF Manager through the ROF under Regulation 7(a) of the Regulations and/or in accordance with paragraphs 2.14 or 2.15 incepting in that Indemnity Period remains outstanding.

5 SHARE OF PREMIUMS

- 5.1 The Insurer shall be entitled to share in all premiums received by the SPF Manager in respect of ARP Coverage and other coverage arranged by the SPF Manager pursuant to paragraph 2.13, in each case, incepting in the relevant Indemnity Period, and to share in investment income earned on all such premiums, in accordance with its Percentage Participation from time to time, subject to such deductions therefrom as the SPF Manager considers reasonable and necessary in its discretion for the proper and efficient operation of the SPF (or any part of it) in respect of that Indemnity Period.
- 5.2 The SPF Manager shall account to each Participating Insurer for its proportionate share of the sums remaining following any deductions in accordance with paragraph 5.1 on or about the end of each calendar quarter.
- 5.3 The SPF Manager shall maintain all premiums received in respect of ARP Coverage in a separate trust account, held by the SPF Manager on trust for all Participating Insurers that participate in the ARP during the respective Indemnity Period in their respective shares and for their respective interests.

6 SHARE OF LIABILITY

- 6.1 The Insurer shall be liable to make payments under each ARP Coverage, Run-off Cover, each other coverage arranged by the SPF Manager pursuant to paragraph 2.13 and any cover arranged by the SPF Manager through the ROF under Regulation 7(a) of the Regulations and/or in accordance with paragraphs 2.14 or 2.15 (or any of them) incepting in the relevant Indemnity Period in accordance with its Percentage Participation in respect of such Indemnity Period.
- 6.2 The Insurer shall be required to pay over to the SPF Manager on demand any sums requested by the SPF Manager for the purposes of settling any liability of the Insurer in accordance with paragraph 6.1.
- 6.3 The Insurer shall, in addition, be required to pay over to the SPF Manager on demand any sums requested by the SPF Manager representing:
- 6.3.1 the costs of establishment, administration, management, replacement and/or closure of the SPF, the ARP and the ROF and the SPF Management Committee (or any of them) (in accordance with the provisions of the SPF Management Agreement and, where not expressly provided for in the SPF Management Agreement, as determined by the SPF Manager in its absolute discretion);
 - 6.3.2 the costs of handling any claim against an ARP Coverage and the costs of handling any claim against each other coverage arranged by the SPF Manager pursuant to paragraph 2.13;
 - 6.3.3 the costs of handling any claim against a Run-off Cover and the costs of handling any claim against each other cover arranged by the SPF Manager through the ROF under Regulation 7(a) of the Regulations and/or in accordance with paragraphs 2.14 or 2.15;

- 6.3.4 the costs of handling, compromising or settling any claim required to be handled by the SPF Manager pursuant to clause 9.1.2 (including any costs awarded against a Firm that fall properly to be so paid by the ARP);
- 6.3.5 the costs of audit reports prepared in respect of those Firms which have provided written notice to the SPF Manager, pursuant to Regulation 9 of the Regulations, of their intention to cease practice and to enter the ROF in the next Indemnity Period ("**Run-Off Audit Costs**").
- 6.4 Subject to paragraphs 3.6, 3.7 and 3.12, where a demand is made under paragraphs 6.2 or 6.3 prior to the calculation by the SPF Manager of the Insurer's Actual Proportionate Participation for that Indemnity Period, the SPF Manager may make such demand on the basis of the Insurer's Initial Estimated Proportionate Participation for that Indemnity Period and the Insurer shall be entitled to receive the benefit of, or shall make any balancing payment in respect of, any difference between its liability as determined in accordance with its Initial Estimated Proportionate Participation and its Actual Proportionate Participation in accordance with paragraph 3.13.
- 6.5 It is acknowledged by the parties hereto that although the Insurers in each Indemnity Period are required, pursuant to paragraph 6.3.5, to pay the Run-Off Audit Costs incurred in an Indemnity Period, the Run-off Audit Costs are costs which are attributable to the ROF which provides Run-Off Cover to those Firms in respect of which the audit reports have been prepared. Accordingly, the SPF Manager shall, in each Indemnity Period and in accordance with this paragraph 6.5, carry out a recalculation of the Run-Off Audit Costs paid by the Insurers in the previous Indemnity Period to ensure that those costs are properly attributed to the Insurers of the relevant ROF.

Following the calculation of an Insurer's Actual Proportionate Participation in respect of an Indemnity Period, the SPF Manager shall calculate and determine the amount of any consequential adjustment to be made to the amount of any Run-Off Audit Costs paid by each Insurer in the previous Indemnity Period. Where, following a recalculation:

- 6.5.1 an Insurer has paid more than its Percentage Participation of Run-Off Audit Costs (the amount of the overpayment of Run-Off Audit Costs being the **Positive Run-Off Adjustment Amount**), the SPF Manager shall pay the Positive Run-Off Adjustment Amount to the Insurer, unless the SPF Manager elects (in its absolute discretion) by notice to the Insurer to set off the Positive Run-Off Adjustment Amount against any amount that is owed by the Insurer in respect of the SPF (or any part of it); or
